

GLASS BRIDGE

Name: Glass Bridge

Location: YiChun, JiangXi Province, China

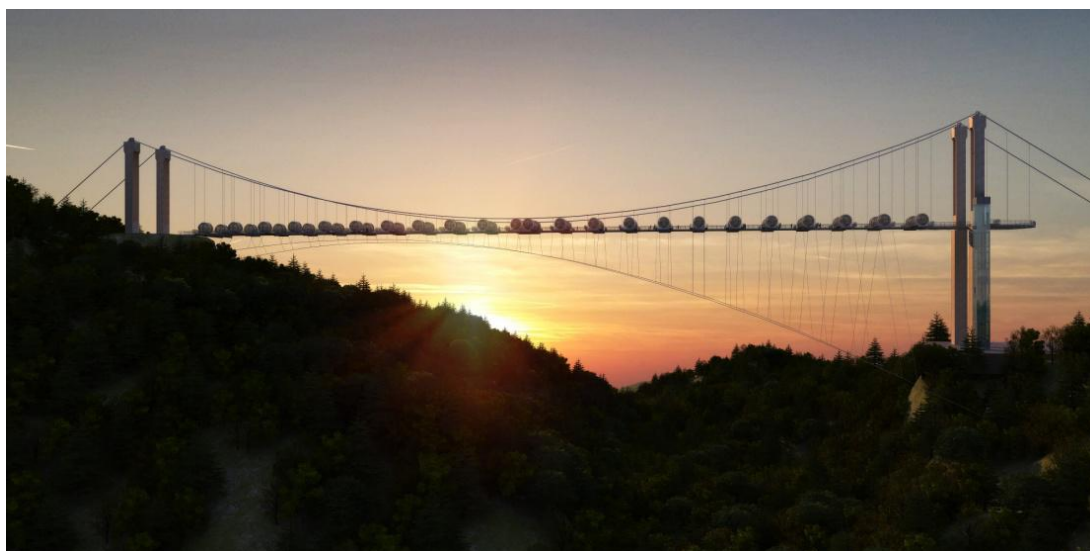

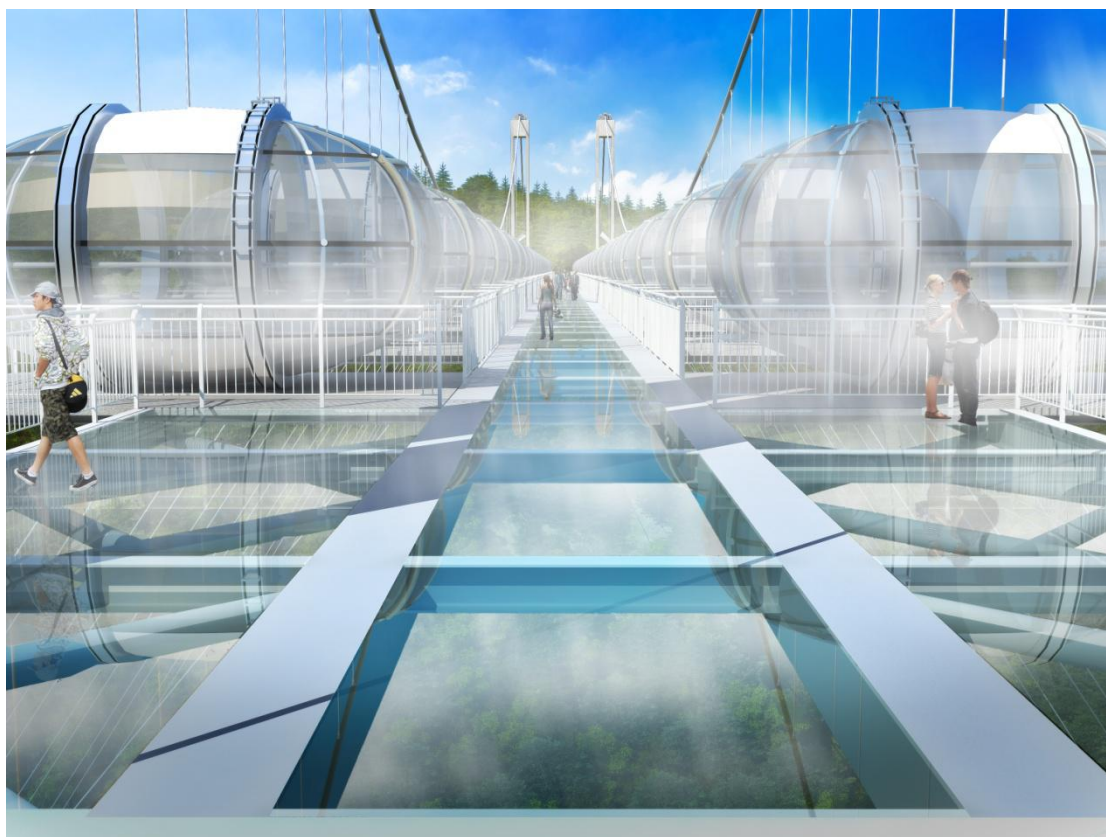

DESCRIPTION OF GLASS BRIDGE

Glass bridge is a bridge made of glass and suspended in the air. Tourists walk through the bridge without any support, just like walking in the air. With its unique advantages and breathtaking excitement, the glass bridge has gradually become the first choice of landscape bridges in various scenic spots, creating a unique air walking experience for tourists. The super stimulation it brings to visitors is hard to surpass by other amusement facilities.
